

# Know Your Coverage

Health plans maintain lists of covered medications and devices. **THESE ARE KNOWN AS FORMULARIES.**

Formularies are often updated at the end of the calendar year.

**BUT COVERAGE CAN ALSO CHANGE DURING THE YEAR** due to:

New medications becoming available

New approved uses for existing medication

Changes to medical guidelines

## TO RECEIVE OPTIMAL AND TIMELY CARE,

patients should be aware of their health plan's coverage throughout the year.

Call the number on the insurance card

Check the health plan website

Ask at the health care provider's office

Know **all** your treatment options, **all** year long.
